

ADDENDUM

THE MOLECULAR STRUCTURE OF
PHASEOLLIN

C. DeMartinis, M.F. Mackay, Dawn R. Perrin and B.J. Poppleton

Tetrahedron Letters, No. 34, 2981-2982, (1977).

The absolute configuration of the molecule was not established in this study. The molecular skeleton depicted in Fig. 1 is consistent with the configuration assigned to (+)-pterocarpan*
