

ERRATUM

K. Fujita, H. Nakai, S. Kobayashi, K. Inoue, S. Nojima and M. Ohno, "An Efficient and Stereoselective Synthesis of Platelet-Activating Factors and the Enantiomers from D- and L-Tartaric Acids", Tetrahedron Letters, 3507 (1982).

The sign of rotation described in the above manuscript (p 3509) was incorrect for compounds 6a and 6b. The correct values for 6a and 6b are  $[\alpha]_D^{22} -16.8^\circ$  and  $+16.6^\circ$ , respectively.

We thank Professor D. Seebach (ETH) for bringing these errors to our attention.
