"N-Chlorosuccinimide/Sodium Iodide: A convenient source of N-iodosuccinimide. Synthesis of  $\alpha$ -iodo carbonyl compounds and trans-1,2-iodoacetates", Tetrahedron Letters, 25, 233 (1984) - Y.D. Vankar and G. Kumaravel

Unfortunately there has been an interchange of pages, p.234 should be 235 and vice-versa. Further the structure (B) in Table 1 should be as follows:
