A Photochemical Approach to the Taxanes
W.F. Berkowitz, J. Perumattam, and A. Amarasekara
Tetrahedron Letters, Vol.26, p 3665 (1985)

The following work, very similar to our own, came to our attention only after we had submitted the above for publication.

Kojima T., Inouye Y. and Kakisawa A.
Chem. Letters, p 323 (1985)
