SYNTHÈSE D'UNE PYRROLIDINE OPTIQUEMENT ACTIVE À PARTIR DE LA D-GLUCOSAMINE.
C. Morin, Tetrahedron Letters, 1984, 25, 3205.

The absolute configuration of pyrrolidine 8 should be opposite to the one depicted (thanks are due to Dr. J. Gawronski, Adam Mickiewicz University, Poland, for pointing out this error). Therefore the correct structure is :
