Synthèse chimique de nucléotides branchés par des liaisons phosphodiester 2'-5' et 3'-5' vicinales.

The Regional Editor in France regrets that the date of submission of the above paper has been indicated erroneously as June 28, 1986 (28.6.86), instead of October 28, 1986 (28.10.86). This correction removes the incompatibility between the date of submission and ref.7, which refers to work by Prof. J.Chattopadhyaya and associates, presented at a meeting on Set.29-Oct.3, 1986.
