CORRIGENDUM

Das, G.; Thornton, E. R. "Large rate accelerations in aldol reaction of *ortho*-substituted benzaldehydes," *Tetrahedron Lett.* **1991**, 32, 5239–5242.

The first aldehyde in the representative reaction on the first page and in the abstract should be

Reference 12 should read Fujita, T.; Nishioka, T. *Prog. Phys. Org. Chem.* **1976**, 12, 49–89. instead of Nishioka, T. *Prog. Phys. Org. Chem.* **1976**, 12, 49–89.

Charton's steric parameter has been incorrectly typed as ϕ_v ; it should be ν .

On p. 5242, line 11, "bond-breaking and bond-breaking" should read "bond-making and bond-breaking".
