CORRIGENDA

K. Tanaka, H. Osuga, H. Suzuki and H. Kishida, An efficient synthetic method for optically pure heterohelicenes, *Tetrahedron Letters*, 1992, 33, 4599-4602.

The authors wish to apologise for omitting an important word on p. 4599, from lines 8 to 9 of paragraph 1. Please insert "functionalized" between "pure" and "helicenes".

Also a reference should be added in note 7 on p. 4602: For a synthetic method for helical hydrocarbons: see, Sudhakar, A.; Katz, T. J. *J. Am. Chem. Soc.* 1986, 108, 179-181

R. Shen, C. Priebe, C. Patel, L. Rubo, T. Su, M. Kahn and R. Sugawara, An approach for the generation of secondary structure specific abzymes, *Tetrahedron Letters*, 1992, 33, 3417-3420.

At the bottom of p. 3417 it reads;

† After June 1, 1992 address correspondence to this author at the BioMimetic Institute, 201 Elliot Avenue West, Seattle, Washington 98119.

it should read:

After June 1, 1992 address correspondence to this author at the Department of Pathobiology, University of Washington SC 38, Seattle, Washington 98195.
