B. M. Khadilkar, V. G. Gaikar and A. A. Chitnavis, Aqueous hydrotrope solution as a safer medium for microwave enhanced Hantzsch dihydropyridine ester synthesis, *Tetrahedron Letters*, **1995**, 36, 8083–8086, 0040-4039(95)01680-5.

The third sentence on page 8084 commencing "We report here..." should read as follows:
"The synthesis of some Hantzsch esters in a domestic microwave oven has been reported by Julio Alvarez-Builla *et al.** We report here, for the first time, the use of an aqueous hydrotrope solution as a safe reaction medium for the synthesis of some Hantzsch esters, including the drugs nifedipine and nitrendipine in a domestic microwave oven."
