

## CORRIGENDA

PII: S0040-4039(97)00313-4

A. L. J. Byerley, A. M. Kenwright and P. G. Steel, Synthesis of C-disaccharides via glucal dimerisation, *Tetrahedron Letters*, **1996**, 37, 9093–9096, PII: S0040-4039(96)02094-1.

On page 9095, in Table 1, structure **20** was incorrectly assigned. The correct structure is given below:

The following reference which contains extensive NMR analysis of the original Ferrier reaction was inadvertently omitted from reference 2. Wessel, H. P.; Englert, G. *J. Carbohydr. Chem.*, **1995**, 14, 179.

PII: S0040-4039(97)00314-6

K. E. Bell, D. W. Knight and M. B. Gravestock, *N*-Benzyltriflamide: a generally useful Mitsunobu reagent for amine synthesis, *Tetrahedron Letters*, **1995**, 36, 8681–8684, 0040-4039(95)01792-5.

The following reference was regrettably omitted from this paper:

Edwards, M. L.; Stemerick, D. M. and McCarthy, J. R. *Tetrahedron Lett.*, **1990**, 31, 3417. In this paper, the authors describe the use of the closely related Mitsunobu reagents TfNHMe and the less effective TfNHPh. The authors apologise for this omission and thank Professor D. E. Taber, University of Delaware, for pointing this out.
