The structure of saxitoxin on page 5462 should read as follows:

The **Acknowledgements** on page 5464 should read as follows:

We thank Professor G. Boyer (SUNY-Syracuse) and Dr. S. Hall (FDA), for much practical help and advise on handling saxitoxin, and to Drs. P. Chen (NIH) and S. Hall (FDA) for generous gifts of saxitoxin. Financial support from the US Department of Agriculture (9802839) is gratefully acknowledged.
