Corrigendum

**Corrigendum to “The regioselective preparation of
1,3-diketones”**

In the above paper, reference 3 (Katritzky, A. R.; Pastor, A. *J. Org. Chem.* **1999**, 3679) was included as a general reference to the regioselective preparation of 1,3-diketones. The authors wish to clarify that Professor Katritzky's paper represents an alternative procedure for the preparation of single regioisomers rather than mixtures.
