

Corrigendum

**Corrigendum to “A short, rapid synthesis of heliannuol D,
an alleochemical from *Helianthus annuus* employing
ring-closing metathesis”**

[Tetrahedron Lett. 45 (2004) 2047][☆]

Subir K. Sabui and Ramanathapuram V. Venkateswaran*

*Department of Organic Chemistry, Indian Association for the Cultivation of Science,
Jadavpur, Kolkata 700032, India*

On page 2047, column 2, lines 4–5, the compound used to prepare **6** is in fact 4,7-dimethyl-6-methoxy coumarin and not that originally quoted in the text.
