

Corrigendum

Corrigendum to “DMSO-triggered enhancement of enantioselectivity in Novozyme[435]-catalyzed transesterification of chiral 1-phenylethanols”

[Tetrahedron Lett. 46 (2005) 4411]

Amrit Goswami* and Jonali Goswami

Regional Research Laboratory, Jorhat 785 006, Assam, India

Available online 4 August 2006

The authors sincerely regret that the source of lipase mentioned in the above letter contained errors. The actual source is not *CAL-B* (Novozyme [435]), but is *Pseudomonas lipase G-6* (PSL[G-6]) and hence should be read as PSL[G-6] in place of Novozyme[435]. Refs. 5, 6 and 8 have been corrected as follows.
