I. J. CANTLON, W. COCKER and T. B. H. MCMURRY:
Reactions of some dicarbonyl compounds. *Tetrahedron*
15, 46 (1961).

The authors would like to make the following correction
to page 52:

The formula for 1,4-diethyl cyclohexan-2,5-dionecarb-
oxylate should be $C_{12}H_{18}O_6$ and the calculation for
values: C, 56.2; H, 6.3%. The formula given was of the
monoacetate.
