Page 2727 3rd paragraph: "Oxidations carried out in butanol ..." should read: "Oxidations carried out in t-butanol ...". Similarly, in the next paragraph: "This observation is supported by the fact that butanol ..." should read: "This observation is supported by the fact that t-butanol ...".

In addition Figs. 1 and 2 showing spectra of III, VIIIa and XVIa were omitted from the paper and are now given.
