

ERRATA

L. A. PAQUETTE, J. P. FREEMAN and S. MAIORANA, 'Asymmetric Induction in the Sulfene-Enamine Condensation Reaction', *Tetrahedron* 27, 2599 (1971). The structures precisely derivable from the transition states shown in **16**, **17**, and **18** are not **19**, **20**, and **21**, respectively, but rather their mirror images as given below:
