#### CONTRIBUTED PAPERS

A limited number of contributed papers can be included in the symposium and abstracts are invited for consideration.

*Programme*

As well as the main scientific sessions a programme of tours and entertainment is also being organised for participants and accompanying family and guests. This will include a visit to Chatsworth

House, the Derbyshire Home of the Dukes of Devonshire, a traditional Lancashire Evening, a Symposium Dinner and a Civic Reception. A Ladies Programme will also be arranged to include a visit to the City of Chester, Wedgwood Pottery and the Peak District National Park.

*Accommodation*

Accommodation for participants will be arranged in single study bedrooms in the University Halls of Residence. If hotel accommodation is preferred a list of hotels in the area will be sent on request.

*Fees*

The registration of participants, inclusive of coffee and tea each day will be approximately £17.50. Lunches will be available at approximately £6 extra but participants may make their own arrangements if they wish. The fee for accommodation in the Halls of Residence from Monday 10 to Thursday 13 July 1978 will be approximately £27.

A fee of £5 will be charged for accompanying members and the reduced fee for students will be £8.50. All fees will be finalized in January 1978.

Please do not send any fees until your final registration is made.

*Registration*

The programme and form of application will be available in January 1978 and will be sent to those who have notified their interest in the Symposium by returning the form below. Further queries may be addressed to:
