

## CORRIGENDUM

M.-L. Kondracki and M. Guyot, Biologically active quinone and hydroquinone sesquiterpenoids from the sponge *Smenospongia* sp., *Tetrahedron* **1989**, *45*, 1995–2004.

Page 1997: Assignments of the carbon atoms C<sub>18</sub> and C<sub>20</sub> of the aromatic ring in compound 4 are reversed. The revised assignments follow:

$$C_{18} = 120,22 \text{ s} \rightarrow 142,66 \text{ s}$$

$$C_{20} = 142,66 \text{ s} \rightarrow 120,22 \text{ s.}$$
