

CORRIGENDA

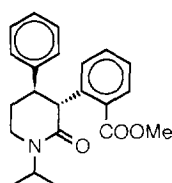

Angelina Georgieva, Elena Stanoeva, Stefan Spasov, Marietta Haimova, Norbert De Kimpe, Mark Boelens, Marian Keppens, Andrejs Kemme and Anatoly Mishnev, Cyclocondensations of homophthalic anhydrides with 1-aza-1,3-dienes, *Tetrahedron* **1995**, *51*, 6099–6114.

The structural formula of compound 11 (methyl ester) on page 6108 should be

11 (methyl ester)

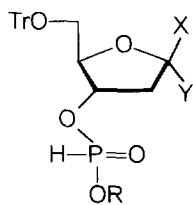

, not

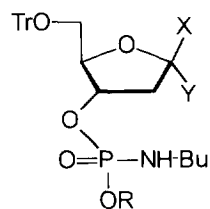

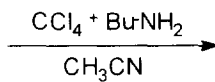

11 (methyl ester)

István Tömösközi, Eszter Gács-Baitz and László Ötvös, Stereospecific conversion of H-phosponates into phosphoramidates. The use of vicinal carbon–phosphorus couplings for configurational determination of phosphorus, *Tetrahedron* **1995**, *51*, 6797–6804.

Figures 3 and 4 on page 6798 are incorrect. Correct figures are given below.
