This article has been retracted at the request of the authors and the editor. Please see <http://www.elsevier.com/locate/withdrawalpolicy>.

Reason: this article is found to be very similar to a paper published in *European Journal of Organic Chemistry* (2006) 2060, entitled “Rapid Microwave-promoted catalyst- and base-free Suzuki-type coupling reaction in water” at almost the same time by the same group. The two papers did not reference each other.
