

Erratum

In the October 2001 issue, in the article “A Spectrum of *ABCC6* Mutations Is Responsible for Pseudoxanthoma Elasticum” by Le Saux et al. (69:749–764), two names were omitted from the list of authors: the two authors are Anna-Susan Marais and Denis L. Viljoen; their affil-

iations are, respectively, PXE International (South Africa), Mowbray, South Africa, and Department of Human Genetics, University of Witwatersrand, Johannesburg. The authors regret this error.
