

Genetic Self Knowledge and the Future of Epidemiologic Confounding

Tyler J. VanderWeele^{1,*}

(The American Journal of Human Genetics 87, 168–172; August 2010)

In the original version of this article, Dr. VanderWeele's name was written incorrectly, as Tyler Vander Weele. His name appears correctly above and has also been corrected in the online version of the article. The journal regrets this error.
