Gilbert Grynberg (1948–2003)

We mourn the death of Professor Dr. Gilbert Grynberg, April 17, 1948 – January 27, 2003. We have lost an excellent and highly esteemed scientist, an outstanding character and a good friend. He has been a very active colleague in the merger of Zeitschrift für Physik and Journal de Physique in the early days. As one of the Co-Editors-in-Chief of The European Physical Journal D, from its start, he has formed the scientific standards of EPJ. Untiringly he has served our Journal with greatest dedication. We are grateful that he has been with us.
