Eur. Phys. J. D **41**, 519–530 (2007)

Replace  $s = 0.85$  by  $s = 1.05$  both in the caption of Figure 9 and in Section 3.2. The values of  $C_h\Phi$  and  $C_b\Phi$  in Section 3.2 correspond to  $s = 1.27$ .
