Editor's Note

With this issue, we begin reprinting abstracts of papers recently published in the Journal of The Adhesion Society of Japan. Shortly, we will also begin to reprint, in English, selected complete papers originally published in the Society's Journal in Japanese. Our readers, therefore, will have the opportunity rapidly to develop an awareness of the important, pertinent and useful work in adhesion going on in Japan. The Society has also agreed to publish in its Journal, abstracts and selected papers from this JOURNAL.

We are most pleased that this arrangement has become a reality. We wish to thank Dr. T. Hata, President of The Adhesion Society of Japan; Drs. M. Shimpō and K. Horioka, Vice Presidents; Dr. K. Nakao, Editor of the Journal; the Editorial Board and the Membership of the Society for their cooperation.

For readers of our Journal who would like to know more about the Adhesion Society of Japan, the following text gives the address and Officers of the Society.
