Volume 120, No. 6 (1996)

In the paper entitled "Biosynthetic Transport of a Major Lysosome-Associated Membrane Glycoprotein 2, Lamp-2: A Significant Fraction of Newly Synthesized Lamp-2 Is Delivered to Lysosomes by Way of Early Endosomes" by Kenji Akasaki, Akihiro Michihara, Yoshiteru Fujiwara, Kouichi Mibuka, and Hiroshi Tsuji (pp. 1088-1094), the terms of " γ -adaptin" written in DISCUSSION (page 1093, the right column) were mistaken. It should have been " μ_1 -chain."
