Vol. 131, No. 1 (2002)

In the paper "Characterization of RecA424 and RecA670 Proteins from *Deinococcus radiodurans*" by Katsuya Satoh *et al.* (pp. 121–129), in Fig. 7 on page 127, right-hand bars should be shaded. The correct figure is shown.

**Vol. 131, No. 3 (2002)**

In the paper "Crystal Structure of 1-Deoxy-D-xylulose 5-phosphate Reductoisomerase Complexed with Cofactors: Implications of a Flexible Loop Movement upon Substrate Binding" by Shunsuke Yajima *et al.* (pp. 313–317), in Fig 1 on page 314, an OH was missing from the MEP structure. The correct figure is shown.

**Vol. 131, No. 3 (2002)**

In the table of contents on the 4th page of the issue, entries on pages 285 and 293 were inadvertently interchanged. "Phospholipase A₂" by M. Murakami and I. Kudo should be on page 285 and "Structure, Regulation, and Function of Phospholipase C Isozymes" by K. Fukami on page 293.
