Erratum to: J Membrane Biol
DOI 10.1007/s00232-014-9662-z

The article was published incorrectly due to an error in the publication process.

The colon (:) in between words ‘metals’ and ‘amyloid- β ’ was not in original submission, is introduced instead of ‘–’ and therefore the title sounds altered. That is, the authors did not ‘probe various physiologically relevant metals’, as it may come out from the modified title; but ‘probe various physiologically relevant metals–amyloid- β peptide interactions’.

The correct title should be:

“Probing of Various Physiologically Relevant Metals–Amyloid- β Peptide Interactions with a Lipid Membrane-Immobilized Protein Nanopore”

The error in article title has been corrected with this erratum.
