

ANNOUNCEMENT

FOURTH INTERNATIONAL CONGRESS ON HORMONAL STEROIDS

Mexico, D.F., Mexico

(2-7 September, 1974)

The Fourth International Congress on Hormonal Steroids will be held in Mexico, D.F., Mexico, from 2 September through 7 September, 1974.

Plans of the Meeting have been developed by an Organizing Committee consisting of: L. Castelazo-Ayala (Mexico), E. Diczfalusy (Sweden), J. Fried (USA), V. H. T. James (England), E. V. Jensen (USA), L. Martini (Italy), K. D. Voigt (Germany). In planning the program the Organizing Committee has been assisted by a Program Committee consisting of 30 members.

The following twelve topics will be considered:

1. Organic Chemistry
2. Analytical Methods
3. Biosynthesis of Steroids and Sterols
4. Intermediary Metabolism
5. Interactions of Steroids with Macromolecules
6. Mechanism of Action
7. Pharmacology
8. Steroids in Fetal, Maternal and Perinatal Endocrinology
9. Clinical Disorders of Steroid Metabolism
10. Steroids in Reproductive Biology
11. Steroids in Neuroendocrine Mechanism
12. Comparative Aspects

The Program of the Fourth Steroid Congress will consist of: (1) A series of Plenary Lectures; (2) A set of Symposia; (3) A number of Sessions of Free Communications.

Lecturers for the Plenary Lectures and Speakers for the Symposia will be invited by the Organizing Committee. Free Communications may be submitted by investigators interested in the field. They will be screened by a special Subcommittee which might decide that part of them be "read by title". The Congress will have two official languages: English and Spanish.

The deadline for the submission of registration forms and abstracts is January 31, 1974.
