

## OBITUARY

M. G. KOLPAKOV

It is with deep regret that we announce the tragic death of Prof. M. G. Kolpakov (Novosibirsk 90, U.S.S.R.) who was a corresponding editor of the Journal from its conception in 1969. We greatly appreciate the active contribution in all the activities he refereed and diffusion of the Journal in his country over several years. All of those who have come into contact with him have appreciated his scientific and human qualities and he will be sadly missed by his colleagues from all over the world.
