

Erratum

In the January 1999 issue of the *Journal*, an error appeared in figure 4 of the article “The Emerging Tree of West Eurasian mtDNAs: A Synthesis of Control-Region Sequences and RFLPs,” by Macaulay et al. (64: 232–249). The corrected figure 4 (in which 16311C and 16311T have been transposed) appears opposite.
