
TFAP2A Mutations Result in Branchio-Oculo-Facial Syndrome

Jeff M. Milunsky,* Tom A. Maher, Geping Zhao, Amy E. Roberts, Heather J. Stalker, Roberto T. Zori, Michelle N. Burch, Michele Clemens, John B. Mulliken, Rosemarie Smith, and Angela E. Lin

(American Journal of Human Genetics 82, 1171–1177; April 2008)

The mutation name for patient 4 in both Figure 3 and Table 1 is incorrectly identified as R254G. The correct mutation name is R254W. The correct mutation is discussed in the text. The authors apologize for this error.

A Testing Framework for Identifying Susceptibility Genes in the Presence of Epistasis

Joshua Millstein,* David V. Conti, Frank D. Gilliland, and W. James Gauderman

(American Journal of Human Genetics 78, 15–27; January 2006)

On page 17, at the very bottom of the right-hand column, the numerator on the right side of the equation should be squared and should read as follows:

$$CSS = \sum_{i=1}^r \frac{(n_i - E[n_i])^2}{E[n_i]}$$
