(The American Journal of Human Genetics 84, 780–791; June 2009)

In this paper, several coauthors were mistakenly omitted from the author list (Melissa K. Maisenbacher, Virginia Husted, Kristin Mascotti, Regina Schultz, Lavinia Hallam, Duncan McRae, Andrew G. Nicholson, Robert Newbury, Jane Durham-O'Donnell, Gail Knight, and Usha Kini). Above is the correct list of contributing authors, and their affiliations appear below. The authors regret this error.
