A Word from the Editor

From the start, we wanted *The Journal of Adhesion* to be an international journal. Over the past ten volumes it has, indeed, become that. As a matter of fact, authors from some fifteen countries have published papers in *The Journal of Adhesion*. Up to now, we have lacked editorial representation in many countries where important work is going on in the fields covered by *The Journal*. We have felt for some time that this needed correction.

It is, therefore, with the greatest pleasure that we announce a major expansion in the international editorial representation of *The Journal of Adhesion*. We welcome the following internationally known scientists who share our goals for *The Journal of Adhesion* and who have agreed to join us:

From Australia,

Dr. C. E. M. Morris (Materials Research Laboratories), Associate Editor

Dr. B. W. Cherry (Monash University), Advisory Board

From France,

Professor J. Schultz (C.N.R.S.), Associate Editor

Dr. G. Hillaire (S.N.I.A.S.), Advisory Board

Dr. G. Mavel (I.R.C.H.A.), Advisory Board

From Israel,

Professor V. Raevsky (Israel Institute for Innovation), Associate Editor

From Japan,

Professor T. Igarashi (Gunma University), Associate Editor

Professor T. Hata (Gunma University), Advisory Board

Dr. K. Nakao (Osaka University), Advisory Board

From the U.K.,

Mr. K. W. Allen (The City University, London), Advisory Board

Dr. D. M. Brewis (City of Leicester Polytechnic), Advisory Board

Dr. A. J. Kinloch (PERME, Waltham Abbey), Advisory Board

We thank them all for agreeing to serve and look forward to a long and successful association with all of them.
