# Erratum

In the paper, “Cone-and-Plate Shear Stress Adhesive Test”, by Grant and Cooper, *J. Adhesion* **21**, 155–167 (1987), there is a systematic error in all of the values of KPa and MPa given in the text on pages 166 and 167. The correct values may be obtained by multiplying the values appearing in the text by a factor of 1000.
