Erratum

It has come to our attention that there are two errors in the paper by J. T. Marchesi, H. D. Keith and A. Garton, "Adhesion to Sodium Naphthalenide Treated Fluoropolymers. Part III, Mechanism of Adhesion," *J. Adhesion* **39**, 185–205 (1992). Both pertain to Figures 5 (p. 196) and 7 (p. 200). The figures have been switched, so that Figure 5 as printed should actually be Figure 7 and vice versa. In addition, both figures have been rotated 90° clockwise. Thus, both figure captions which presently contain a reference to "top row" and "bottom row" should, in the present orientation, actually read "left column" and "right column," respectively.
