Erratum

The paper, "Application of Adhesive Joining Technology for Manufacturing of the Composite Flexspline for a Harmonic Drive", by K. S. Jeong, D. G. Lee and Y. K. Kwak, which appeared in *The Journal of Adhesion*, Volume 48, pages 195–216 (1995) contained a number of printer's errors. Figures 2 and 15 were printed upside down and Figure 5 was an incorrect one (its origin is unknown). Because of the nature of these errors, the correct version of the paper will be printed in its entirety in a subsequent issue.

The Editor and the Publishers sincerely apologise for these errors.
