

Announcement

At its 24th annual meeting, the *International Academy of Quantum Molecular Science* has elected the following new members:

J. Čížek, Canada
R. Levine, Israel
R. A. Marcus, USA
F. A. Matsen, USA
E. E. Nikitine, USSR
A. Veillard, France

The *1987 Annual Medal* has been awarded to B. Jeziorski (University of Warsaw, Poland) for “his outstanding contribution to coupled clusters methods and to the theory of intermolecular forces”.
