The 14th meeting of the International Academy of Quantum Molecular Sciences took place in Menton, France on July 11–12, 1978. Professor Ronald Hoffmann of Cornell University, Ithaca, USA was elected member of the Academy. The annual Medal of the Academy was awarded to Prof. K. Morokuma, Institute of Molecular Sciences, Okazaki, Japan, for his outstanding contribution to the quantum-mechanical study of excited states, reaction paths and intermolecular interaction.
