Received May 12/September 1, 1980

Announcement

NATO Advanced Study Institute on Relativistic Effects in Atoms, Molecules and Solids

will be held August 10–August 21, 1981 at Vancouver, British Columbia, Canada.

Limited funds are available to participants from NATO Countries for living and/or travelling expenses on a competitive basis.

For further details write no later than May 1, 1981 to:

Professor G. L. Malli, Director NATO ASI 81/63
Department of Chemistry,
Simon Fraser University,
Burnaby, B.C., Canada V5A 1S6
