

## *Announcements*

### **Forty Years of Quantum Chemistry**

This international conference in honor of Professor John A. Pople will take place from *October 16-19, 1989* in the *Center for Computational Quantum Chemistry* at the *University of Georgia in Athens, Georgia*. This symposium will celebrate the fortieth anniversary of the submission of Professor John A. Pople's first scientific paper. The paper "The Molecular Orbital Theory of Chemical Valency. The Significance of Equivalent Orbitals" was published with Sir John Lennard-Jones in the Proceedings of the Royal Society of London on July 7, 1950 [Proc. Roy. Soc. (London) 202:166 (1950)].

#### *Co-Chairmen*

Dr. Nicholas C. Handy  
Department of Theoretical Chemistry  
University of Cambridge  
Cambridge, CB2 1EW, UK

Professor Henry F. Schaefer III  
Center for Computational Quantum Chemistry  
University of Georgia  
Athens, GA 30602  
USA

Registration forms may be obtained from Dr. Schaefer, at the University of Georgia.

### **Third International Mathematical Chemistry Conference**

This conference is to be held *March 5-9, 1989*, in *Galveston, Texas*. A distinguished list of chemists and mathematicians is scheduled, including: A. T. Balaban, M. Eigen, M. E. Fisher, R. L. Graham, F. Harary, W. Hosoya, Y. Jiang,

N. H. March, P. Mezey, J. Paldus, R. G. Parr, L. Pauling, M. Randić, D. H. Rouvray, E. Ruch, K. Ruedenberg, J. Simon, O. Sinanoglu, D. Summers, F. T. Wall, and M. C. Zerner. More information and application forms may be obtained from:

D. J. Klein  
Mathematical Chemistry  
Texas A&M University at Galveston  
Galveston
