

Announcement

**Intermolecular interactions in chemistry and biology:
theory and experiment**

The Institute of Organic Chemistry and Biochemistry, Czechoslovak Academy of Sciences, Prague, and the Department of Quantum Chemistry, University of Uppsala, Uppsala, organize this conference in *Podebrady, Czechoslovakia, 17–22 September, 1990.*

Presidents: Per-Olov Löwdin, Rudolf Zahradnik

Lecturers: A. D. Buckingham (Cambridge), E. Clementi (Kingston), P. Th. van Duijnen (Groningen), W. F. van Gunsteren (Groningen), G. Chalasinski (Warsaw), W. Klemperer (Cambridge, Mass.), E. Kochanski (Strasbourg), H. Lischka (Wien), J. Michl (Austin), C. J. van Oss (Buffalo), L. Piela (Warsaw), S. Scheiner (Carbondale), E. W. Schlag (Munich), L. F. Sukhodub (Kharkov)

Organizing committee: Pavel Hobza, Zdenek Havlas, Osvaldo Goscinski, Jean-Louis Calais
