

## ANNOUNCEMENTS

8 May 1996

### **International Symposium on Gap Junctions in Health and Disease, Regensburg, Germany**

Organizers are Rolf Dermietzel, Institute of Anatomy and Ferdinand Hofstädter, Institute of Pathology.

*For further information, please contact:*

Mrs. B.E. Dove  
University of Regensburg  
Institute of Pathology  
Franz-Josef-Strauss-Allee 11  
D-93042 Regensburg, Germany  
Tel.: (49) 941-944-6646; Fax: (49) 941-944-6602

13–15 September 1996

### **IV International Dermatology Symposium Berlin: Sebaceous Gland and its Disorders**

Basic and Clinical Research, Clinical Entities and Treatment

*For further information, please contact:*

Priv.-Doz. Dr. C.C. Zouboulis  
Department of Dermatology  
University Medical Center Benjamin Franklin  
The Free University of Berlin  
Hindenburgdamm 20  
D-12200 Berlin, Germany  
Tel.: (49) 30-8445-2808; Fax: (49) 30-8445-4262

13–16 August 1996

### **International Symposium on Molecular and Cell Biology of Glycoconjugate Expression Rigi Kaltbad, Lake Lucerne, Switzerland**

This symposium will feature the latest achievements in glycobiology, ranging from molecular and cell biology research over developmental biology to applied biomedical studies. The number of participants is limited to 150.

*For further information, please contact:*

Professor Jürgen Roth  
Division of Cell and Molecular Pathology  
University of Zürich,  
CH-8091 Zürich, Switzerland  
Fax: (41) 1 255 44 07

28 September – 2 October 1996

### **9th International Conference of the International Society of Differentiation (ISD), Inc., Pisa, Italy**

Development, Cell Differentiation and Cancer

The Conference is organized in cooperation with The Institute of Mutagenesis and Differentiation, Pisa and The National Research Council of Italy (C.N.R.).

*For further information, please contact:*

COGEST M. & C.  
Vic. S. Silvestro, 6  
I-37122 Verona, Italy  
Tel.: (39) 45-597940; Fax: (39) 45-597265

18–23 August 1996

### **10th International Congress of Histochemistry and Cytochemistry, Kyoto, Japan**

The aim of this congress is to advance technologies that visualize molecular and biochemical aspects of cells and tissues in situ, and apply these new techniques for investigations in biology, basic and clinical medicine. Plenary lectures, symposia, mini-symposia, workshops, posters and technical tutorials are planned.

*For further information, please contact:*

Prof. Y. Ibata, Organizing Committee,  
10th International Congress of Histochemistry and Cytochemistry,  
c/o Academy Conference Planning,  
383 Murakami-cho, Fushimi-ku,  
Kyoto, 612 Japan  
Tel.: (81) 75-611-2008; Fax: (81) 75-603-3816
