

ANNOUNCEMENTS

11–12 October 1996

Recent Advances in Pathology, Leuven, Belgium

The Department of Pathology, Laboratory of Histochemistry and Cytochemistry, at the Katholieke Universiteit Leuven, organizes a Symposium to celebrate the retirement of Prof. Dr. V.J. Desmet. With the aid of a panel of distinguished speakers from Belgium and abroad, the participants will be kept abreast of recent developments in the field of liver and gastrointestinal pathology, haematopathology, neuropathology and dermatopathology. The Symposium is suitable for trainee and consultant pathologists. A poster session devoted to liver pathology will be organized.
