Virchows Archiv

Official Journal of the European Society of Pathology

Founded in 1847 under the title *Virchows Archiv für pathologische Anatomie und Physiologie und für klinische Medizin*. Vols. 1–170 (1902) edited by Rudolf Virchow (Vols. 1–4 in association with B. Reinhardt). Vols. 171–218 (1914) edited by Johannes Orth; Vols. 219–224 (1917) by D. von Hansemann and Johannes Orth; Vols. 225–227 (1919) by D. von Hansemann and Otto Lubarsch; Vols. 228–289 (1933) by Otto Lubarsch; Vols. 290–329 (1957) by Robert Rössle. Vols. 1–227 (1919) Berlin, Georg Reimer, Vereinigung wissenschaftlicher Verleger (Walter de Gruyter & Co.); from Vol. 228 (1920) Berlin, Springer.
From Vol. 344 (1968) divided into *Abteilung A Pathologische Anatomie* and *Abteilung B Zellpathologie*. From Vol. 364 (1974) *Virchows Archiv A* with the English subtitle *Pathological Anatomy and Histology*. From Vol. 398 (1982) *Virchows Archiv A* with the English subtitle *Pathological Anatomy and Histopathology*. From Vol. 424 (1994) parts A and B merged to form *Virchows Archiv* with the English subtitle *An International Journal of Pathology*.

Submission of a manuscript implies: that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis); that it is not under consideration for publication elsewhere; that its publication has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has been carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the copyright to the publisher; and that the manuscript will not be published elsewhere in any language without the consent of the copyright holders. All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), all translation rights as well as the rights to publish the article in any electronic form. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher.

The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special regulations for photocopies in the USA: Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of U.S. Copyright Law, provided a fee is paid. All

fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0945-6317, the volume, and the first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.

The Canada Institute for Scientific and Technical Information (CISTI) provides a comprehensive, world-wide document delivery service for all Springer-Verlag journals. For more information, or to place an order for a copyright-cleared Springer-Verlag document, please contact Client Assistant, Document Delivery, Canada Institute for Scientific and Technical Information, Ottawa K1A 0S2, Canada; Tel.: (613) 993-9251; Fax: (613) 952-8243; e-mail: cisti.docdel@nrc.ca.

This Journal is included in both the Springer Journals Preview Service and the ADONIS service.

The Springer Journals Preview Service offers the tables of contents and BiblioAbstracts via Internet before the new issue reaches the subscribers. Tables of contents are free of charge; BiblioAbstracts are available for a small annual fee. Details can be obtained by sending an e-mail message containing the line *help* to svjps@springer.de.

In the ADONIS service copies of individual articles can be printed out from compact discs (CD-ROM) on demand. An explanatory leaflet giving further details of the scheme is available from the publishers on request.
