

**ANNOUNCEMENTS**

5–7 October 2000

Three-day education program

**European School for Cardiovascular Pathology**

The annual meeting will be held at the Academic Medical Center in Amsterdam, The Netherlands. The theme of day 1 will be “Cardiomyopathies and heart failure 2000” and that of day 3 “Heart and lung transplantation pathology.” Day 2 will be devoted to oral and poster presentations, as well as education sessions such as “what is it?” and “the odd case.” There is no registration fee for the scientific program.

*For further information and an abstract form, please contact:*

6–7 October 2000 – Borstel

**2nd Autumn-Seminar on Pathology and Biomedicine in Borstel**

The second autumn seminar in Borstel, presented by the Clinical & Experimental Pathology Department of the Research Center Borstel and the Institute for Pathology of the Medical University Lübeck, will be held on the major topic “From the Theatre to the Bench: Molecular Biology Using Histological Specimens”. A wide range of speakers from different fields will present the state of the art in molecular pathology. The registration fee is DM 60 (DM 35 for students and post-docs) for both days, including the get together evening with buffet. Day passes for October 7th are also available. Please submit abstracts (major topic as well as free abstracts), which will be presented as posters and published in the Electronic Journal of Pathology and Histology.

*For further information, please contact:*
