

ANNOUNCEMENTS

10–11 April 2001

Continuing Medical Education

National Breast Pathology Update Course
Nottingham International Breast Education Centre,
Nottingham, UK

This two-day course for pathologists will cover all aspects of breast pathology and will consist of formal lectures and practical demonstrations.

For further information: Education Administrators, Nottingham International Breast Education Centre, City Hospital, Hucknall Road, Nottingham NG5 1PB; e-mail: Steph.bury@nibec.co.uk
Tel.: +44-115-9691689, Fax: +44-115-9627707

17–20 April 2001

1st Multidisciplinary Colorectal Cancer Congress

Grand Hotel Huis ter Duin, Noordwijk, The Netherlands

This congress deals with the molecular biology, epidemiology, pathology and treatment of colorectal cancer and will consist of a series of workshops. The deadline for abstract submission is 15 January 1991. For Further information visit the website: www.colorectal2001.com. This meeting will be preceded by a symposium on the molecular pathology of the gastrointestinal tract under the auspices of the working group on gastrointestinal pathology of the European Association of Pathology, 17 April, Leiden, The Netherlands.

Further information: Han van Krieken, Department of Pathology, 437 PA, University Medical Centre, Nijmegen, P.O. Box 9101, 6500 HB Nijmegen, The Netherlands; Fax: +31-24-3540520; e-mail: j.vanKrieken@pathol.azn.nl

11–12 May 2001

International Consultation on the Diagnosis of Noninvasive Urothelial Neoplasms

Satellite Workshop on "Superficial bladder cancer: controversies on basic and clinical research"

University of Ancona School of Medicine, New Premises, Torrete, Ancona, Italy

The topics to be discussed in this workshop are: urothelial papillary (exophytic) lesions, preneoplastic non-papillary lesions of the urothelium, molecular pathology and cytometry, and detection methods other than morphology, molecular pathology, and cytometry.

For further information: Rodolfo Montironi, Institute of Pathological Anatomy and Histopathology, University of Ancona School of Medicine, Regional Hospital, Via Conca, 60020 Torrette di Ancona, Italy; e-mail: r.montironi@popcsi.unian.it
Tel.: +33-071-5964830, Fax: +39-071-2810685

14–25 Mai 2001

International Course on Laboratory Animal Science

Utrecht, The Netherlands

A two-week intensive course on laboratory animal science will be held at the Department of Laboratory Animal Science in Utrecht in May 2001. This course has been held once a year since 1993. The objective will be to present the basic facts and principles that are essential for the humane use of animals and the quality of research.

The contents are in line with the recommendations of the Federation of European Laboratory Animal Science Associations regarding the training of the young scientist whose research involves the use of vertebrate animals.

Further information and application forms: L.F.M. van Zutphen or Stephan van Meulebrouck, Department of Laboratory Animal Science, Faculty of Veterinary Medicine, P.O. Box 80.166, 3508 TD Utrecht, The Netherlands; e-mail: pdk@las.vet.uu.nl
Tel.: +31-30-2532033; Fax: +31-30-2537997

11–13 June 2001

Continuing Medical Education

Multi-Disciplinary Courses on Breast Cancer
Nottingham International Breast Education Centre,
Nottingham, UK

Three-day course. The first part is multi-disciplinary. Thereafter, the different specialties meet to accommodate their own special requirements.

For further information: Education Administrators, Nottingham International Breast Education Centre, City Hospital, Hucknall Road, Nottingham NG5 1PB; e-mail: Steph.bury@nibec.co.uk
Tel.: +44-115-9691689, Fax: +44-115-9627707

8 September 2001

European Board of Pathology Examination 2001

Berlin, Germany

The Fifth Examination will be held in Berlin on the above date. Information about the examination and application forms can be obtained from:

Prof. J.G. van den Tweel, Chairman of The Examination Board, Utrecht University Medical Center, Department of Pathology, H 04.312, P.O. Box 85500, 3508 GA Utrecht, The Netherlands; e-mail: vandentweel@lab.azu.nl or W.vanBragt@lab.ausz.nl (secretary), Tel.: +31-30-2506565, Fax: +31-30-2544990

8 October 2001

Continuing Medical Education

One-day Multi-Disciplinary Update Courses
Nottingham International Breast Education Centre,
Nottingham, UK

For further information: Education Administrators, Nottingham International Breast Education Centre, City Hospital, Hucknall Road, Nottingham NG5 1PB; e-mail: Steph.bury@nibec.co.uk
Tel.: +44-115-9691689, Fax: +44-115-9627707

19–21 November 2001
