Z. Naturforsch. **64a**, 874 – 876 (2009);
received July 22, 2009

Responses to the comments in A. Georges, Z. Naturforsch.
64a, 872 (2009) on the author's paper are given.

Key words: Covariant Formulation for Electromagnetism;
Galilean Invariance; Transverse and Longitudinal
Doppler Effects; Fresnel Drag.

PACS number: 03.30.+p
