COMPLIANCE WITH THIS PUBLICATION IS MANDATORY

This instruction implements Air Force Policy Directive (AFPD) 14-1, *Intelligence, Surveillance, and Reconnaissance (ISR) Planning, Resources, and Operations*, and is in accordance with Department of Defense Directive 5105.21, *Defense Intelligence Agency*. This instruction provides direction for Air Force management of General Defense Intelligence Program (GDIP) resources. The reporting requirements contained in paragraphs **2.1.11.** and **2.2.8.** are exempt from licensing in accordance with paragraph 2.11.11 of Air Force Instruction (AFI) 33-324, *The Information Collections and Reports Management Program; Controlling Internal, Public, and Interagency Air Force Information Collections*. Ensure that all records created by this AFI are maintained and disposed of IAW AFMAN 37-139, *Records Disposition Schedule*.

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

The text of this instruction completely supersedes that of AFI 14-108, 1 June 1998, then-titled *General Defense Intelligence Program (GDIP) Systems Requirements Development Process*. This revision expands the focus from requirements and budgeting of Air Force GDIP programs and resources to roles and responsibilities for GDIP resource management. The requirement for this revision stems from Program Action Directive (PAD) 01-02, *Air Combat Command / Air Intelligence Agency Information Operations Integration*, which reassigned Air Intelligence Agency (AIA) as a Primary Subordinate Unit (PSU) to Air Combat Command (ACC).

1. Background.

1.1. In accordance with Department of Defense Directive 5105.21, *Defense Intelligence Agency*, the Director, Defense Intelligence Agency (DIA) serves as the Program Manager of the GDIP, develops the GDIP as an input to the National Foreign Intelligence Program (NFIP), participates in the NFIP

approval process, and oversees the execution of funds appropriated to GDIP and GDIP-related activities.

1.2. The Director, DIA has Department of Defense Intelligence Production Program (DoDIPP) tasking authority and tasking authority over Air Force GDIP-funded units engaged in all-source intelligence production and Measurement and Signature Intelligence (MASINT) collection, processing, production, and reporting.

1.3. The programmatic line of authority for GDIP-funded Air Force activities runs from the GDIP Program Manager (Director, DIA), to Headquarters Air Force Director of Intelligence, Surveillance, and Reconnaissance (AF/XOI), to Air Force Major Commands (MAJCOMs), Agencies and Centers, and those Unified Combatant Commands for which the Air Force supports the programming and execution of GDIP resources (USCENTCOM, USSOCOM, USNORTHCOM, USSTRATCOM, and USTRANSCOM).

2. Roles and Responsibilities

2.1. Headquarters Air Force Director of Intelligence, Surveillance, and Reconnaissance (AF/XOI):

2.1.1. Serves as the focal point and approval authority for policy, planning, programming, and budgeting activities relating to programs and resources assigned within the Air Force portion of the GDIP Intelligence Program Objective Memorandum (IPOM) or executed within Air Force GDIP Program Elements (PEs).

2.1.2. Maintains oversight over all Air Force GDIP resources. Ensures GDIP resources are programmed and executed as prescribed by the GDIP Program Manager.

2.1.3. Prepares Air Force GDIP Resource Guidance to supplement the GDIP Program Manager's Guidance Memorandum (PMGM).

2.1.4. Assigns Program Element Monitors (PEMs) in the areas of intelligence production, MASINT collection and production, information technology, and intelligence infrastructure.

2.1.5. Prepares the Air Force GDIP IPOM and submits it to the GDIP Program Manager.

2.1.6. Represents the Headquarters Air Force (HAF) elements, MAJCOMs, Agencies and Centers in all matters pertaining to GDIP issues and disseminates guidance to appropriate GDIP elements.

2.1.7. Conducts conferences for all Air Force GDIP elements in conjunction with GDIP IPOM builds.

2.1.8. Manages, consolidates, and disseminates the Resource Management Information System (RMIS) database for all Air Force HAF elements, MAJCOMs, Agencies and Centers GDIP users.

2.1.9. Ensures accurate distribution of Air Force GDIP resources to HAF elements, MAJCOMs, Agencies and Centers, and Unified Combatant Commands during the execution year.

2.1.10. Consolidates GDIP Financial Plans for HAF elements for submission to the 11th Wing.

2.1.11. Consolidates quarterly GDIP execution reports of GDIP funding and billet fill rates. Represents Air Force GDIP resources at the mid-year and end-of-year execution reviews as mandated by the Community Management Staff (CMS).

2.2. Headquarters Air Force elements, MAJCOMs, Agencies and Centers, and Unified Combatant Commands will:

2.2.1. Comply with DIA and Air Force policies, tasking, and technical guidance, ensuring GDIP resources are programmed and executed for those purposes specified by the GDIP Program Manager.

2.2.2. Provide management oversight for AF GDIP activities performed by their subordinate organizations and personnel, ensuring Air Force, joint, and national requirements are fulfilled.

2.2.3. Develop and implement operational policy, plans, directives, and procedures relevant to their AF GDIP responsibilities.

2.2.4. Monitor tasking and evaluate performance of subordinate units to ensure GDIP-funded organizations meet strategic intelligence requirements.

2.2.5. Serve as the focal point for mission management activities executed by subordinate units for all assigned GDIP missions, to include monitoring completion of requirements, production, and customer satisfaction.

2.2.6. Program, operate, manage, and provide for training programs needed to fulfill GDIP requirements.

2.2.7. Submit their respective integrated IPOM submissions for the GDIP resources under their management to AF/XOI for integration into the Air Force's IPOM submission to the GDIP Program Manager, in accordance with the PMGM and supplemental guidance issued by AF/XOI.

2.2.8. Submit Financial Plans annually to SAF/FM (with distribution to AF/XOI), submit Budget Execution Requirements (BERs) semi-annually to SAF/FM (also with distribution to AF/XOI), and submit Execution Reports monthly to AF/XOI. (HAF elements will submit their GDIP Financial Plans and Budget Execution Requirements directly to AF/XOI).

2.2.9. Submit RMIS audit trails to AF/XOI via the Joint Worldwide Intelligence Communications System (JWICS) for IPOM submission in accordance with Air Force GDIP Resource Guidance.

2.2.10. Direct any request for GDIP resources and policy information to AF/XOI.

2.2.10.1. In cases of responses to time sensitive information requests, Air Force MAJCOMs, Agencies, Centers, and HAF elements will provide AF/XOI a copy of their response simultaneously with their response to the requestor.

2.2.11. Obtain AF/XOI approval to realign GDIP resources during the year of execution.

2.2.12. Obtain AF/XOI approval to realign GDIP resources during GDIP IPOM build.

2.2.13. AF/XPPI will attend Intelligence Program Review Group (IPRG) meetings as a non-voting member in order to maintain visibility on actions that could impact programs that receive non-GDIP funds.
